---

□ Time for Sharing Views outside the Workshops

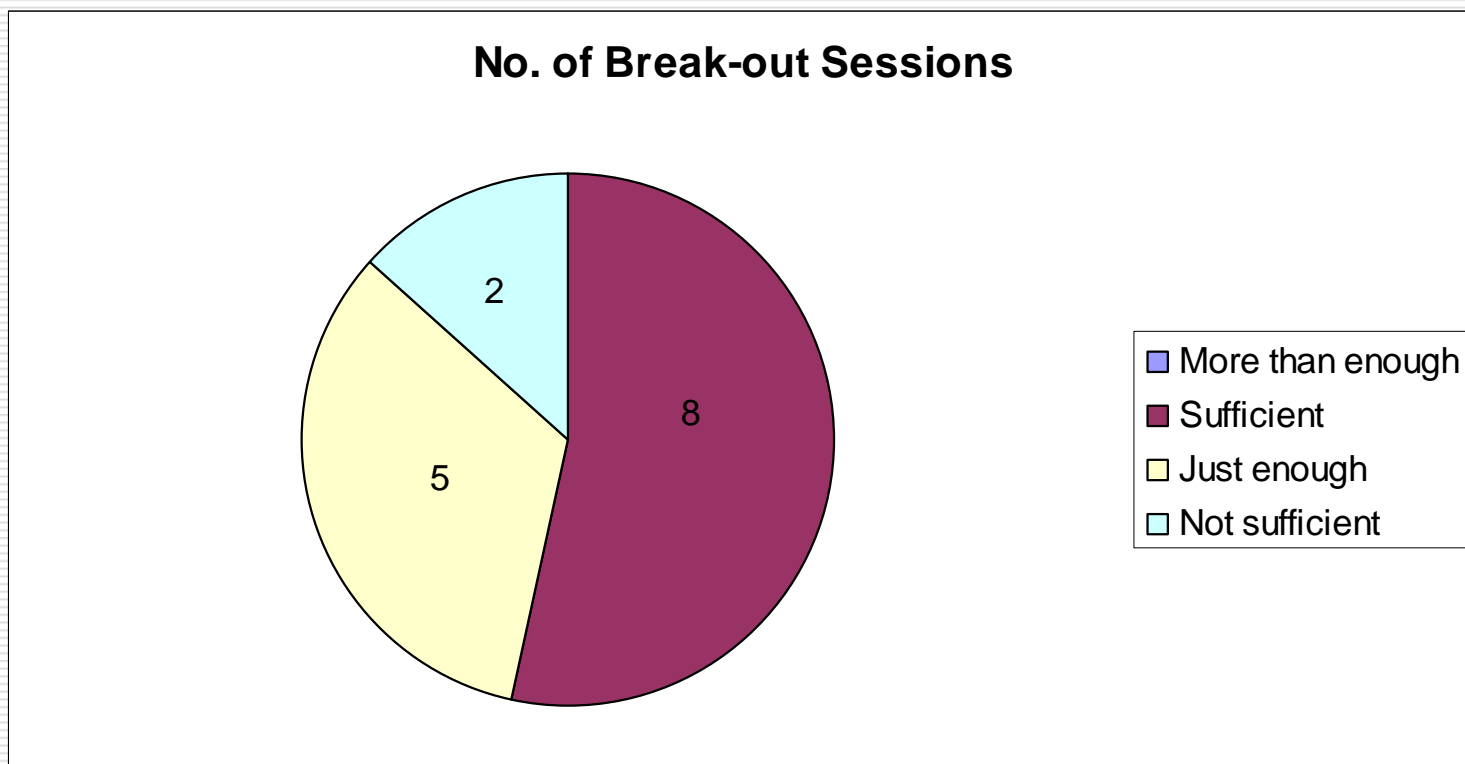

## □ Time for Questions and Discussions

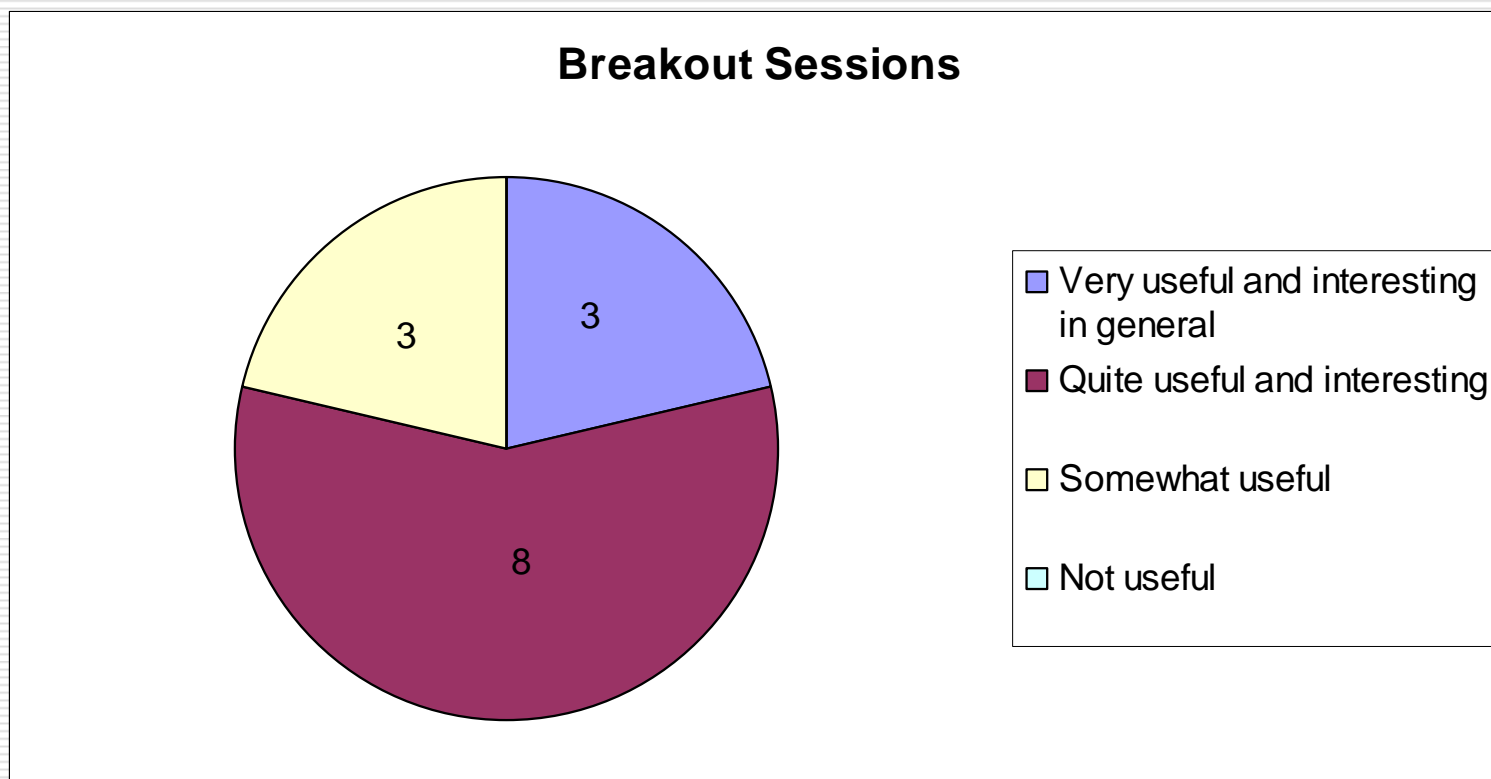

## □ Selection of Topics for Presentations

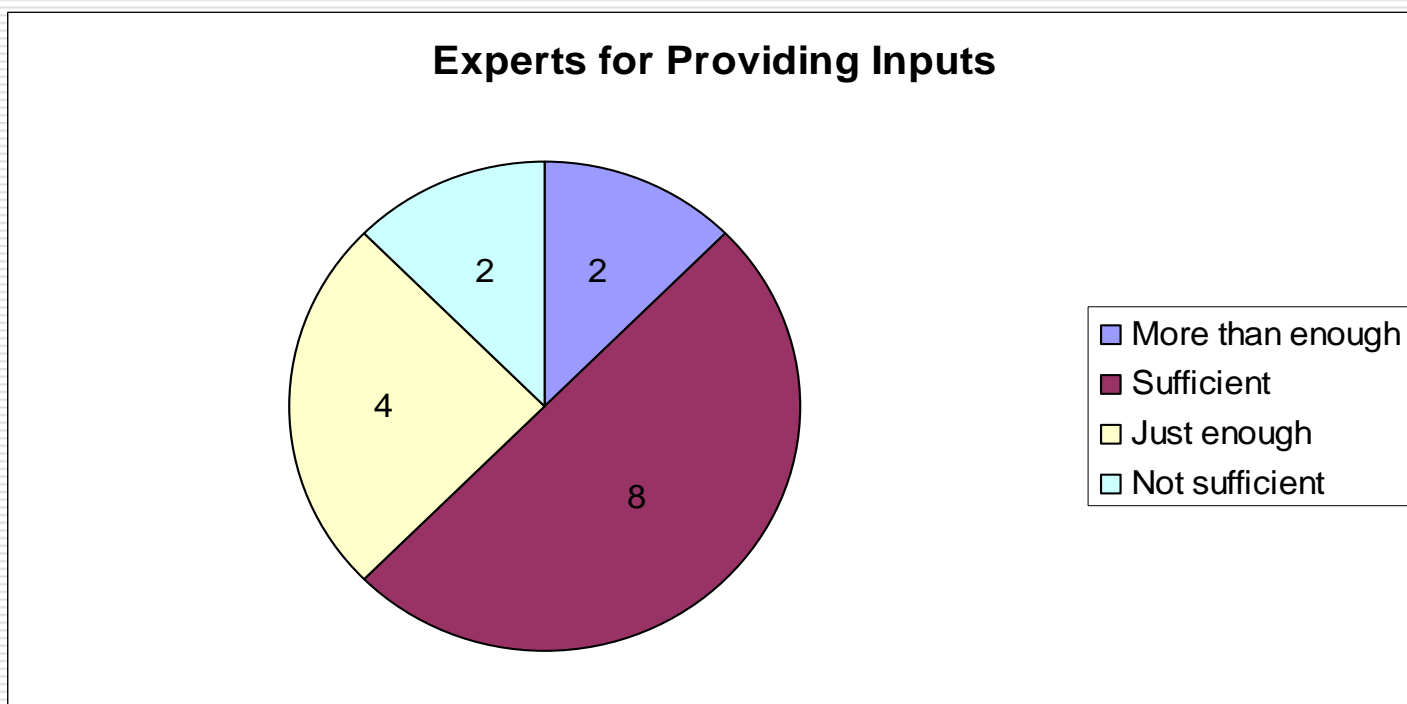

## □ Number of Break-out Sessions

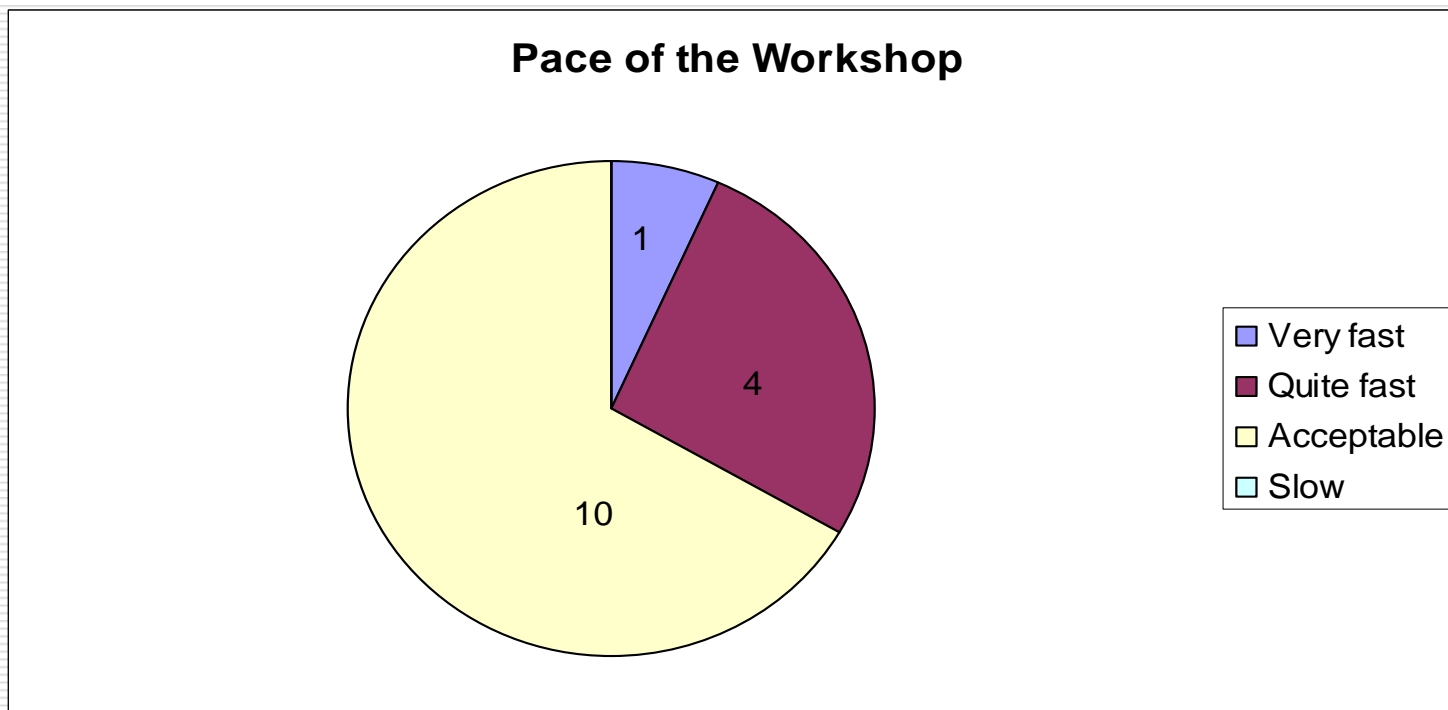

## □ Breakout Sessions

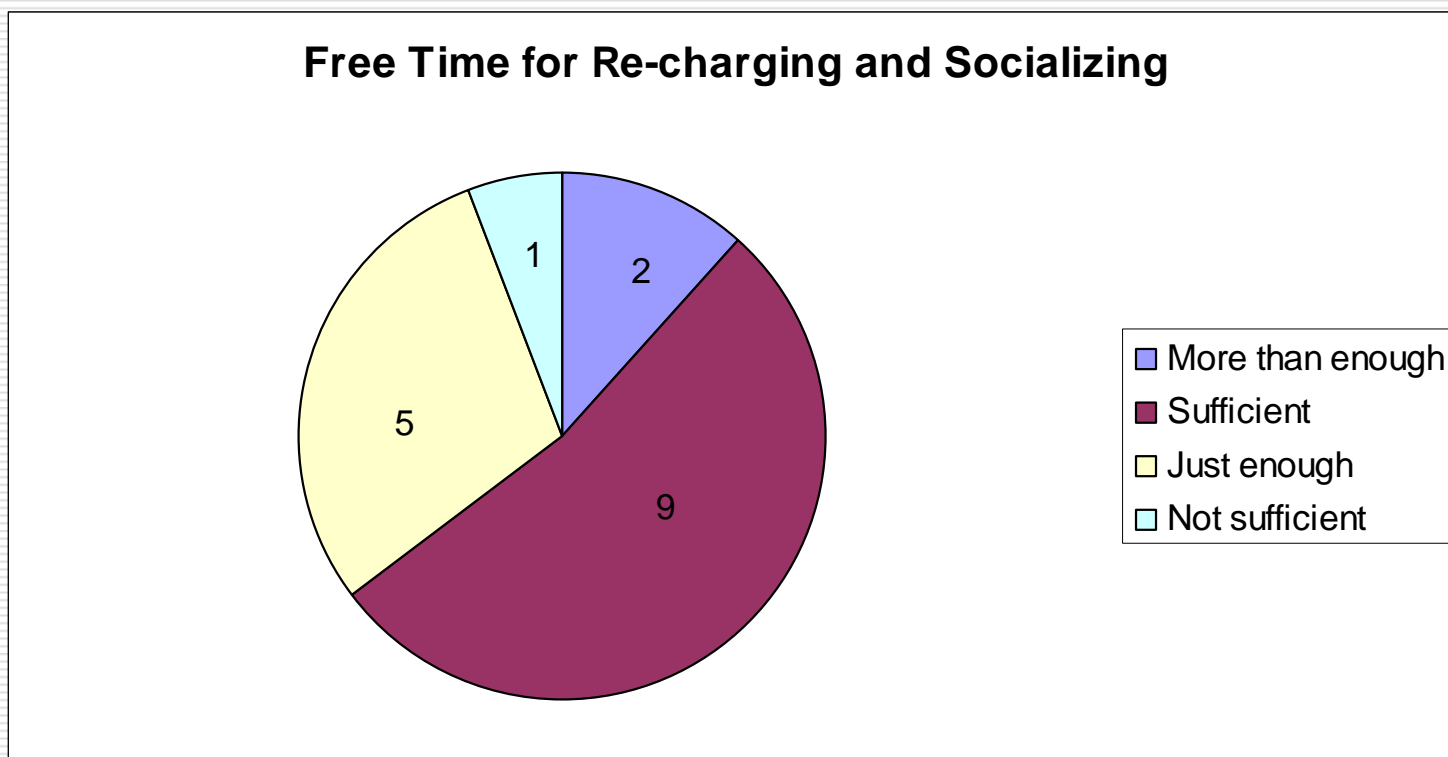

## □ Experts for Providing Inputs

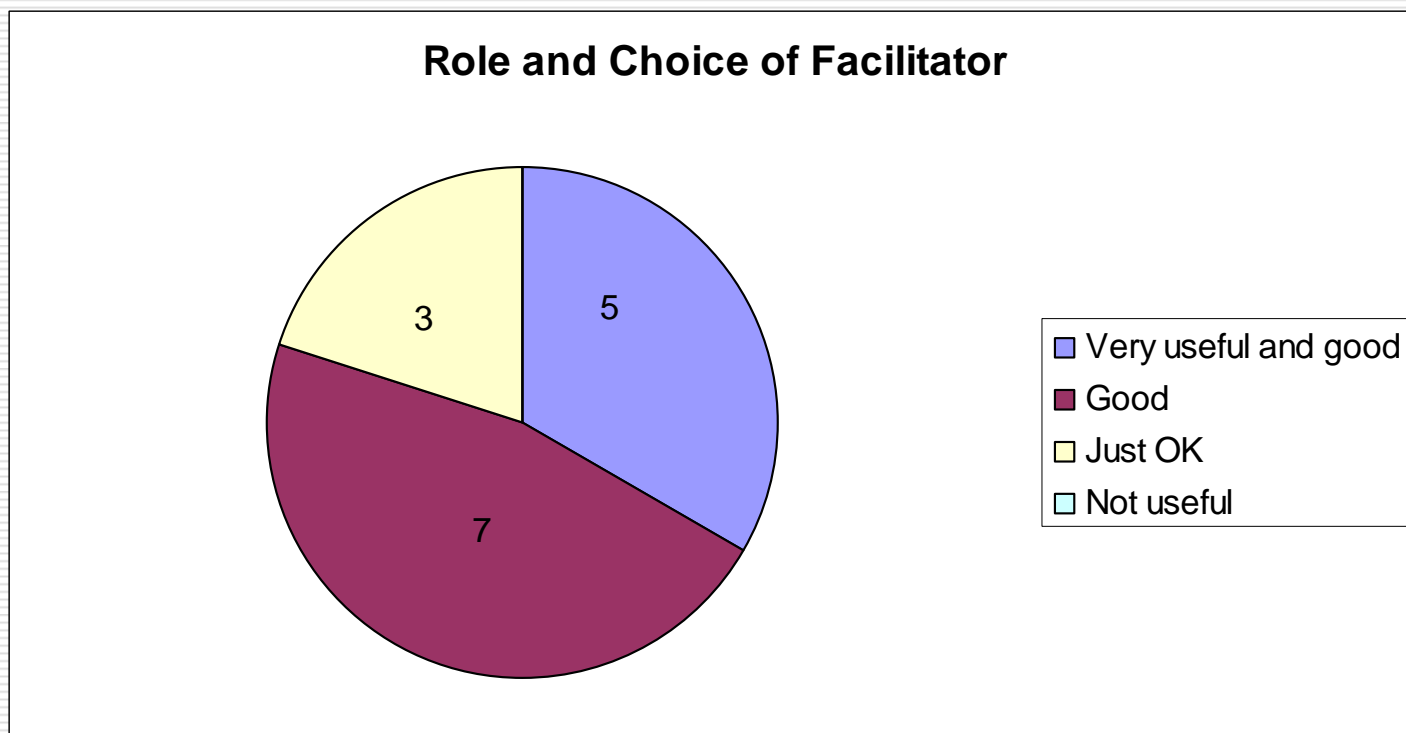

## □ Pace of the Workshop

## Free Time for Re-charging and Socializing

## □ Role and Choice of Facilitator

- 
- ❑ Cross-exchange alone not enough- Involving FIs and Governments in the project important (Gen)
  - ❑ Very good learning on perspectives of other stakeholders on financing issues (Gen)
  - ❑ 3CEE project resulted launch of schemes for EE Financing in India- Lessons- financing not an issue?
  - ❑ Problem of interpretation- Lessons-local interpreters?
  - ❑ Launch 3CEE project- Ph II ??

- 
- Dissemination and Outreach Activities
    - Cross-exchange workshops
    - Country-specific workshops (organised by country teams)
    - Country level training programmes (organised by country teams)
    - Project website
    - Articles
    - Final Reports
    - Media Coverage
    - Dissemination Workshops in countries (upcoming)

- 
- Your opinion on three points:
    - 1: Critical factors for success of a cross-exchange workshop.
      - Quality of presentations, number of topics topics related to the theme, time for Q & A and discussions, break-out sessions, problem-solving approach, expert inputs, number of participants, facilitator, pace of workshop, time for interaction and socializing, logistics, .....

- 
- What do you think are 5 most important-  
in order of importance (1 most  
important). Pl write down.

- 
- 2. Benefits from cross-exchange workshops.
    - Awareness raising, business development, communication platform, knowledge sharing, addressing barriers, dissemination, knowing perspective of other stakeholders, .....

- 
- What you think are 5 most important- in order of importance (1 most important).  
PI write down.

- 
- 3. Your other comments /suggestions to make EE Financing a success.
